SIGNED: David Cramer DATE: Jan 28, 2013

WASTE MINIMIZATION STATEMENT FOR YEAR 2012

Cramer Plating continues to have great results using the closed loop water recycling system at their facility.

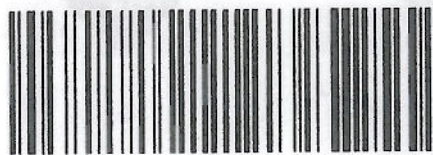

This past year a new unit for sludge reduction was purchased and is now in use. This unit dries the sludge and reduces the volume.

We continue to strive for more recycling and feel that answers for waste reduction, still is in recycling as many processes as possible.
